TO ALL:

This week we installed all of the electrical needs for the manufacturing plant including all three-phase power needs. A company was hired to install all of our manufacturing plant machinery in an assembly line order. So, I think, we are still on schedule to begin construction by June 1st.

John Howell won our contest. Congratulations John! I will award him his \$2,000 bonus contract at our National Convention. BTW, John has a big downline and is a tax preparer who files returns for RaPower3 Team Members. John is from the great state (country) of Texas.

Attached is a one page synopsis that I gave my client. Feel free to make a copy and use as a model. A conference call is planned for next Tuesday between my client and his CPA from another great state-Oregon. Dealing with CPAs is often a necessary step with people purchasing many systems.

HAVE A GREAT WEEKEND!!

Greg
