I have formed a new leadership e-mail list. We are at an important stage now at RaPower3. If you are receiving this e-mail, then you have a least five people underneath you. It is important for you to nurture each person in your downline and help it grow. If your downline is making money, they will continue and purchase again in a few months.

Thus, it would be in your best interest to help your downline with their taxes. Make sure everything is OK. The first way to make money at RaPower3 is with the tax benefits. So we need to make sure everyone is maximizing their return. And then, of course, success breeds more success. It's an exciting day when the refund check comes or when funds are automatically wired into your account. Let's share these success stories.

If a member of your downline needs help and you don't know how to help, move up your downline chain or use me. I have someone from Florida that is FAXING his 1040 return to me. I told him that I can tell in two minutes if his CPA did it right. When one person wins, we all win.

Here is the leadership list: Roger F., Brian Z., James W., Evan A., Carey H., Lance N., Ken A., Freddie M., Spencer G., Lenard O., James B., Nicholas K., Nehemy C., Lynette W., Steve C., Tom D., Bob T.

Everyone MUST be able to access their member office area. If you cannot, e-mail me. You should be able to e-mail your downline and you should do this. Let people know there is a whole team on their side that can help.

Weather in Delta today is good. Many railroad cars are being unloaded today with a huge amount of piping to build a lot more towers.

Regards, Greg
